

Phone Camera Workshop

Thursday 17 October 2024
10am for 10.30am start until 1pm
CFWI Office, Girton

Using both iPhone and Android phones - come along to a fun, interactive workshop

Please bring your phone fully charged and ready to follow along!
Here's an outline of what we'll cover:

Getting the best out of your phone camera – it's much more than a point-and-shoot! How many cameras do you have and what are they for?

Subject, Exposure & Composition – What are you taking a photo of and why, how to get the correct exposure, lots of tips on how to get creative with your composition, and how to avoid common mistakes.

Editing – using the in-built phone app for cropping, exposure, contrast and colour. Then moving on to more advanced editing you'll learn how to get creative, removing unwanted objects, adding text and graphics, and much more!

There will be a short break for refreshments of coffee and biscuits.

Cost: WI members £20.00 and Non WI Members £23.00
