A guided sew-along to make an elegant and practical Cross Back Apron. A loose and easy design that feels comfortable and protects your clothing when doing any messy job.

Make one for the kitchen, the workshop, the greenhouse or the sewing room. The design has durable French seams, generous side pockets, and full coverage - it almost feels like a new dress!

If you can sew a straight stitch on your sewing machine you can do this.

Coffee and tea will be provided but please bring a packed lunch.
