# Patchwork Weekend

Saturday 6 and Sunday 7 August 2022, 10am-4pm, CFWI Office

Under expert tuition, explore Disappearing Blocks including 4 patch, 9 patch, hourglass and pinwheel. The individual blocks will be demonstrated with a chance to make up one of each. Then choose your favourite block to make up into a table runner.

The blocks will be mainly made up of two fabrics – a light fabric (plain or mixer fabric like a dimple or self on self fabric) with an all over print that is not directional and a fat quarter of a darker fabric. To experiment with the blocks, bring along some scraps of fabric and a plain piece of fabric (could be a pillow case).

A pack of instructions containing each block will be provided, as well as demonstrations and guidance on rotary cutting, layout, construction and finish.

### Requirements:

**Fabric:** 2m of plain or self coloured  
1.5m of print
