# Learn how to play Bridge for Fun (in just two sessions)

Wednesday 23 and Wednesday 30 October 2024

2pm – 4.30pm

CFWI Office

The card game of bridge is not a difficult card game to play at an enjoyable, friendly level.

Like all games, at the highest level, it can be complex. (think tennis in the park and Wimbledon.) All people with a basic understanding of card games, particularly whist, can learn to play in a very short time. Why not join us to be taught by a master who has run bridge courses for many years and if you join us you will play your first bridge hand in the first hour. A couple of sessions is enough for many people to become confident players.
