Cambridge Federation of Women's Institutes

Morsbag Workshop
Tuesday 11 June 2024, 11am-3pm
CFWI Office

Come and join our free morsbag making session at our craft, coffee and chat group during the Great Big Green Week.

What are Morsbags?

Morsbags are strong, reusable, recycled, unique bags made from textiles.

Join in with our morsbag blitz. You can make your own bags or you could cut out or iron or pin ready for others to machine. We have some material; but you are welcome to bring your own. Any cotton remnants will be good. Materials required are on the webpage mentioned below.

Instructions will be available on the day and you can have a demo if you wish though they are very easy to make.

Construction details are available on this webpage: https://morsbags.com/make-a-morsbag/

If you bring your own material you will need one piece 46 by 100 cm or 18 by 40 inches for body and 2 pieces 46 by 10 cm or 18 by 4 inches for straps.

We need to know if you wish to bring a sewing machine to work on your own or join the production line (there are limited spaces). **Please inform us when you book.**

Cost FREE

This event is run as one of **craft, coffee and chat** sessions. Cake and coffee is usually provided for which we request a donation of £1 towards costs and CFWI funds.

You will need to bring your own lunch.

- Applications must reach the WI Office by **Monday 20 May 2024**.
- Book via email cfwievents@gmail.com (adding Morsbags in the subject field) and include your WI, name, email address and phone numbers for all attending or use the form below by post.
